

# Sunscreen Application Permission Form

Sunscreen and insect repellent should be applied to a child at least once at home to test for any allergic reaction. Aerosols, sprays and combined sunscreen/insect repellents are prohibited.

Sunscreen must provide UVB and UVA protection with an **SPF of 15 or higher**.

Sunscreen may not be used on infants under **6 months of age**, unless parent permission below is granted.

All sunscreen provided by a parent/guardian must be:

- provided in the original container
- clearly labeled with the child's full name
- within the expiration date
- appropriate for the age of the child
- free of nut ingredients

### Complete one of the following:

**I give** Gottlieb Child Development Center permission to apply:

Name of Sunscreen: \_\_\_\_\_  
when outdoor conditions warrant and consistent with package instructions (subject to any special instructions below) to my child, \_\_\_\_\_  
from \_\_\_\_ / \_\_\_\_ / \_\_\_\_ to \_\_\_\_ / \_\_\_\_ / \_\_\_\_ (not to exceed one year).

OR

**I do not give** Gottlieb Child Development Center permission to apply  sunscreen to my child, \_\_\_\_\_. I do not hold Gottlieb Child Development Center responsible for my decision and understand that my child may be sunburnt as a result. I understand that I should provide protective clothing including a hat, lightweight long sleeve shirt and pants instead, to protect my child from sun exposure during outdoor activities.
