

Notice to Patients:

Access to Care for Certain Services

To our valued patient,

At Loyola University Health System, there are some interventions, treatments and medications we do not provide because of our mission as a Catholic institution.

Below please find a provider list of local institutions you may contact to inquire about these services. If you are in a Blue Cross Blue Shield Managed Care Program (HMO, Blue Advantage, Blue Precision) and you have a Loyola University Health System primary care physician, please contact Blue Cross Blue Shield Customer Assistance Unit at 312-653-6600 for referrals for the requested service.
