

LOYOLA MEDICINE

A. MISSION STATEMENT

Loyola University Health System is committed to excellence in patient care and the education of health professionals. We believe that our Catholic heritage and Jesuit traditions of ethical behavior, academic distinction, and scientific research lead to new knowledge and advance our healing mission in the communities we serve. We believe that thoughtful stewardship, learning and constant reflection on experience improve all we do as we strive to provide the highest quality health care.

We believe in God's presence in all our work. Through our care, concern, respect and cooperation, we demonstrate this belief to our patients and families, our students and each other. To fulfill our mission we foster an environment that encourages innovation, embraces diversity, respects life, and values human dignity. We are committed to going beyond the treatment of disease. We also treat the human spirit.
