III.Q. TRANSPORTATION FOR TRAINEES WHEN THEY ARE TOO TIRED TO DRIVE- PROCEDURE

R.1. Introduction

When a resident is too tired to drive home safely after work, he/she may utilize their choice of either a rideshare or taxi service. The resident may use this service to both get home and return to work to retrieve his/her vehicle.

R.2. Procedure

In order to be reimbursed for using either rideshare or taxi service the resident must submit the receipt(s) to the GME office . The receipt must show the name of the rideshare or taxi service, the pick-up and drop-off locations and the fare amount.

R.3 Limitations

Reimbursements will be made for transportation from LUMC and its affiliates to the resident's home only. Residents may be asked to provide additional information about the trip and should reply to any emails from the GME office. Use of this benefit is closely monitored and frequent use will be reported to the resident's program director for review.

GME will not reimburse transportation costs for the following situations:

- Transportation to/from the airport
- Transportation to work, when a prior ride home from work has not occurred
- During times when the resident's regular transportation is unavailable
